To Whom It May Concern

Certificate

I hereby confirm that the premises and the manufacturing of cooling mats, made by Ísgel ehf, Efstubraut 2, Blönduósi, meets the requirements that are made for food companies – Foodstuffs Act, No. 93/1995 (EC Regulation 852/2004).

The North West Iceland Office for Health and Environment has reviewed the documents on production materials, such as plastic and cooling gel with respect to reg. nr. 398/2008 (EC Regulation 1935/2004), on materials and articles intended to come into contact with foodstuffs and has no remarks on the use of these materials.
